1. Thanks for coming in. I have your resume here. Can you just walk me through your background?
 - a. Overall good answer and ease of communication, need more eye contact with camera and professional dress.
2. How does your previous experience relate to this job?
 - a. What about your coursework? You do have experience! Describe projects in coursework.
3. How has your education prepared you for this role?
 - a. Provide more details of software you're familiar with, projects you worked on in class
4. Why are you interested in this particular job?
 - a. Use examples of your experience and what they were looking for to show interest
5. Why are you interested in working for this company?
 - a. Next time you're practicing, think of a specific company and use specific details for this question
6. What do you like to do in your spare time?
 - a. Seems a little staged, good answer, but definitely add in hobbies so Employer can connect with you on a personal level.
7. What are your greatest strengths?
 - a. Use an example of a time you used your strengths in order to sell your answer.
8. What are your long-term career goals?
 - a. Need to use STAR method- give examples of what you mean!
9. Why did you choose the school that you attended?
 - a. Good overall! Employer is using this question to evaluate your decision making processes- so try and be more detailed if you can!
10. Do you have any questions for me?
 - a. Good question! Next time do 3
