Name	Leadership Style	Strengths	Areas for Improvement	How would you grade yourself?
N/A				

RESULTS TO SHARE

- What did you learn about yourself doing this project? (open-ended)
 - I learned that it is hard to be a good leader when you're going through a stressful time in life.
- What leadership traits emerged as keys to success? (open ended)
 - I think my ability to delegate tasks was important in the completion of the project.
- Advice for the next group doing this project
 - Get in contact with teachers or administrators of local high schools as their students benefit the most from this site. Open a line of communication with the sites webmaster/manager. Bring in content from some of the other groups in class
